GLASS CLEANER INSTRUCTIONS, STORAGE AND DISPOSAL

INSTRUCTIONS: Spray on glass or other surface. Wipe clean.

STORAGE: Protect against physical damage. Store in a cool, dry, well-ventilated location. Avoid storing in direct sunlight when possible. Do not store in containers made from soft metals such as aluminum, magnesium, zinc, or galvanized steel.

DISPOSAL: Small quantities may safely be rinsed down the drain to your local municipal sanitary system. State and local disposal regulations may differ from federal disposal regulations. Dispose of container and unused contents in accordance with federal, state, and local requirements. Product is biodegradable.

GLASS CLEANER FIRST AID

INHALATION: If overcome by exposure, remove victim to fresh air immediately. Give oxygen or artificial respiration as needed. Call a physician immediately.

SKIN: Immediately flush skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. Call a physician if irritation persists. Wash clothing before reuse.

EYE: Immediately flush eyes with gentle but large stream of water for at least 15 minutes, lifting lower and upper eyelids occasionally. Call a physician if irritation persists.

INGESTION: Do not induce vomiting. Never give anything by mouth to an unconscious person. Dilute by drinking two large glasses of water. Call a physician immediately.
