TECHNICAL DATA SHEET

Trash Can Deodorizer is a multi-strain bacterial digester with enzyme that begins working on soils upon contact and our proprietary deodorizer begins working on odors immediately. This product is pH neutral, and will not interfere with oil separating or water treatment systems. This product eliminates, not just masks, odors and stains.

Just spray and let sit.

- Biodegradable
- No phenols, caustic, or acid
- Made in the USA
- Recyclable packaging
- Reusable or refillable
- Essential oil scent
- Not tested on animals
- Naturally derived

TRASH CAN DEODORIZER INSTRUCTIONS, STORAGE AND DISPOSAL

INSTRUCTIONS: Spray soiled surface, and leave it to sit. For carpets, vacuum 24 hours later. For laundry, wash fabric as normal.

STORAGE: Protect against physical damage. Store in a cool, dry, well-ventilated location. Avoid storing in direct sunlight when possible. Do not store in containers made from soft metals such as aluminum, magnesium, zinc, or galvanized steel.

DISPOSAL: Small quantities may safely be rinsed down the drain to your local municipal sanitary system. State and local disposal regulations may differ from federal disposal regulations. Dispose of container and unused contents in accordance with federal, state, and local requirements. Product is biodegradable.

TRASH CAN DEODORIZER FIRST AID

INHALATION: If overcome by exposure, remove victim to fresh air immediately. Give oxygen or artificial respiration as needed. Call a physician immediately.

SKIN: Immediately flush skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. Call a physician if irritation persists. Wash clothing before reuse.

EYE: Immediately flush eyes with gentle but large stream of water for at least 15 minutes, lifting lower and upper eyelids occasionally. Call a physician if irritation persists.

INGESTION: Do not induce vomiting. Never give anything by mouth to an unconscious person. Dilute by drinking two large glasses of water. Call a physician immediately.
